### LÉMAN SLIM, LIGHTNESS AND DELICACY

Caran d'Ache enhances its classic Léman collection of fine writing instruments with the slender, refined shape of the Léman Slim line. The design is distinguished by effortless writing comfort and infused with timeless elegance. The lacquer finish is applied in silky hues that celebrate the beauty of the delicate and elegant design.

Through the Léman Slim, the Maison Caran d'Ache pays tribute to the colours of Lake Geneva, as well as the elements that enhance their harmony. Like the wind that blows through the sails of a boat and alters their appearance, the refined body of the Léman Slim writing instruments ensures wonderfully light writing comfort. The four writing instruments in the Léman Slim – fountain pen, ballpoint, roller ball and pencil – are enhanced by the softness of the lacquer and shine of the metal. Ebony Black and Scarlet Red, hues offer a contrast with silvered, rhodium-plated details, while the White models provide a perfect marriage with rose gold plated metal. The lacquered cap buttons are the perfect final touch from the Geneva master-craftsmen.
