

Pastel Pencils + Cubes

Pastel Pencils + Cubes are available in open stock and sets

[View instructional video](#)

Caran d'Ache offers an exceptional range of **168 dry pastels**: 84 pastel pencils and 84 pastel cubes in identical colors. This generation of dry pastels is the result of extensive research in the company's Geneva workshops. Both the PASTEL PENCILS and CUBES have been developed to the rigorous standards of the "Swiss Made" label.

Rich and vibrant colors with a powdery texture providing generous shading. The purity of the shades are due to the high concentration of ultra finely ground pigments. The Caran d'Ache Pastel Pencils + Cubes offer exceptional lightfastness as rated by the Blue Wool Scale.

Pastel pencils + cubes conform to ASTM D 4336 and labeled with the AP seal from ACMI

The Essential Pastel Pencil Color Assortments

Caran d'Ache has extended its PASTEL PENCIL offering with three new standard assortments of 12, 20 and 40 colors composed exclusively of pastel pencils and do not include pastel cubes. The shades have been carefully selected by leading pastel artists. The three new assortments are intended for experienced students and professional artists, designers and illustrators.

Standard 12 Color Assortment

This is a selection of basic colors to introduce the techniques of dry pastel work, particularly the use of primary colors and shadows. It is suitable for sketching numerous subjects such as still-life compositions and landscapes.
